

## Immediate Employment Opportunities – Hazmat Workers

QM Environmental is one of Canada's largest full-service national civil and environmental remediation firms. We are always committed to health, safety and the environment, along with our highly trained and qualified personnel.

Immediate Employment Opportunities for **Hazmat Workers \$ 19.50 - \$ 24 / hour**

Employment Type: **Full-time, unionized, 40 hours per week**

Location: **Victoria, BC**

### Position Summary

As a Hazmat / Abatement Labourer with QM LP, you will be required to perform tasks involving physical labour on worksites. Responsibilities include cleaning and preparing sites, erecting scaffolding and cleaning up debris. Projects include mold and asbestos removal.

### Requirements

- Must be able to lift and carry 50 pounds
- Feel comfortable working in an environment that may contain mold and/or asbestos and commit to wearing proper PPE at all times (e.g. be clean-shaven and use half/full-face respirators)
- Have steel toe boots
- Functional in English
- Demonstrated commitment to safety, their own and others.
- Resume is not necessarily required.

### Qualifications

- No education or experience required – on-the-job training will be provided.
- Asbestos/Mold Removal or construction experience is an asset.

### Work Environment

Candidates must have their own steel toe CSA-approved work boots; hard hat and high visibility vest will be provided if required. QM will also provide asbestos-related personal protective equipment (PPE).
