

Success for us is being proud of what we achieve and how we achieve it.

Mosaic Forest Management is a Canadian leader in sustainable timberlands management created through the affiliation of Island Timberlands and TimberWest (in 2018) and has operated on British Columbia's Coast for more than 100 years. We strive to be a global leader implementing the latest innovations and technologies across our operations, with our people and their safety and wellness as our highest priority.

The Opportunity

Mosaic is seeking **Silviculture, Biology and GIS Summer Students** for the **2022 summer work term** from May 9 to August 31. Students will support operations, Monday through Friday, on Vancouver Island, British Columbia.

Bring your passion and we will provide the training and experiences. Successful candidates will share their existing knowledge with Mosaic Forest Management staff while gaining valuable on-the-job experience in silviculture, forest biology and/or GIS supplemented by coaching from experienced mentors.

Benefits of working with Mosaic Forest Management include:

- > Working with highly qualified professional staff;
- > Building knowledge on different aspects of forest management;
- > Working on both Private and Crown lands from Sooke to the Johnstone Straits;
- > Enjoying Vancouver Island life, as well as daily travel to remote work sites;
- > Competitive wages; and
- > Investing in your future with a well-respected employer on Vancouver Island.

Required Skills and Experience

- > 1+ year(s) of study and currently enrolled in a forestry related degree and/or diploma
- > Valid BC Class 5 Drivers License or equivalent*
**For Silviculture and Biology positions only - this is not a requirement for the GIS position.*
- > Demonstrated appreciation for safety on the job
- > Demonstrated appreciation of forestry in society
- > Self-starter and confident working alone and on teams
- > Strong interpersonal and communication skills
- > Able to safely and regularly navigate and work on Coastal BC terrain with varying weather conditions*
**For Silviculture and Biology positions only - this is not a requirement for the GIS position.*

To Apply

Please submit your cover letter and resume to careers@mosaicforests.com.

Use "2022 SUMMER STUDENT – YOUR NAME" in the subject line. This posting will remain open until filled.

In your cover letter, please include:

- > Why you want to work for Mosaic Forest Management;
- > Which forest program you are enrolled in and what stage/year of the program you will have completed by April 2022; and
- > If you have a preference for a Silviculture, Biology or GIS position.

About Mosaic

Mosaic Forest Management manages the forest planning, operations, and product sales for TimberWest and Island Timberlands, delivering sustainable forest management within their private forest lands and Crown tenure areas. All forest lands are certified under the Sustainable Forestry Initiative (SFI).

Mosaic employs several thousand people directly and indirectly to achieve strong economic, social and sustainable outcomes from the working forest. We are Canadian owned by major Canadian public service pension funds.

Mosaic was the first forestry company in BC to achieve Progressive Aboriginal Relations Bronze Certification and then Silver Level Certification. Also, the first forestry company in the world to include the supply chain in its carbon accounting and recently certified by the Carbon Trust for our carbon accounting across the company's entire supply chain.

We are an equal opportunity employer committed to diversity and inclusion and welcome all interested applicants to apply.
